

## Appalachian Mountain Ministry Newsletter

For August 2018

God is blessing the ministry in a mighty way. We have teamed with several new resources to help the ministry and it is working unbelievably. We have teamed with Union Baptist Church in Pitts Georgia and Baby Country in Warner Robins. Both resources have provided us with items that are badly needed in the Appalachian Mountains. Additionally, the Lizella Baptist Church has helped us immensely with clothes, furniture and household items since our presentation to the senior ministry in the church. God is Blessing.

We have visited Living Stone Baptist church this month and while the church is rather small the people are such loving people and have a servant's heart. We are looking forward to working with them and they have already been over to the packing shed to help us pack items to be transported to the mountains.

We are in the middle of the Christmas Back Pack Ministry. It is not too late to do something to help the children in the Appalachian Mountains. Georgia Baptist Mission Board has a goal of receiving 40,000 Christmas backpacks. The Rehoboth goal is 1200. We are still in need of about 500 bags to meet that goal. Please pray earnestly for this ministry and ask God how many of these back packs he you would have to provide. This back pack will provide children with a toy and food that they might not have if we don't provide it. If you haven't been to the Appalachian area you can't understand the poverty-stricken areas that we have in our own country. Please pray for this and if you need information please call Pete Soots at 478-396-9316 or Phyllis Johnson at 4783969065. Help us to meet this very badly needed requirement.

We encourage each Past of Rehoboth Baptist Association to allow us to come and present a presentation of the Appalachian Mountain Ministry to their church. The presentation is a slide presentation and takes between 15-30 minutes. Please pray and consider allowing us to do this and allow the church membership to better understand what the ministry does to help people in our back door who are much less fortunate than we are. Call Pete Soots at 478-396-9316 or Phyllis Johnson at 478-396-9065.

Pete Soots, Director Appalachian Mountain Ministry
