Well the heat of summer is still lingering. I am ready for some good cool 65-degree weather where your strength is not taken by all this heat.

The ministry is alive and doing very well. We have been getting 4-6 loads of goods up to the mountains for the month and they are thrilled to receive it. We have some very thoughtful individuals who bring us a lot of very nice items that we can send to the mountains.

We have one site that we have not been able to get into because of the covid-19 virus. We are looking forward to getting up there as soon as possible because it is one of the worst areas in the parts we go to.

Christmas Back Packs are the key item right now. We have a lot of the churches who usually produced a lot of our back packs find themselves unable to do as many this year due to covid-19. We have a lot of people who are donating money for back packs and Phyllis Johnson is procuring the goods and we are going to have a backpack packing day the second Saturday of October at Oakland Baptist church to put all of these together and send them up to the mountains. I know there are a lot of children up there that are looking for these back packs and we cannot let them down. **We are hoping to do 1880 which is the number we need.** If you would like to help, please call Phyllis Johnson at 478-396-9065. May God richly bless each of you during this season.
