

**Rehoboth Baptist Association**  
**Appalachian Mountain Ministry**  
**Pete Soots, Director**  
**August 2021**

This Ministry has been blessed beyond measure. God has provided another site that is going to be active in helping the poor people of Corbin, Kentucky. We are also in contact with the city of Jellico with a follow-up conversation to be held with the Mayor and officials about the possibility of getting a building to help the people there since the pandemic has put a halt to people going to the school to get items. There will be more to follow on this, but it looks great. God is at work—we just need to ask Him, and He will provide.

The Back Pack ministry is alive and moving towards the end of this years requirements. We have a total of 1751 Back Packs required ,and we have just over 200 remaining to be built; we are in the belief that due to the donations from the churches and private parties, we will have enough money to make one last purchase of items to finish up the back packs. It is amazing how God puts a program together. It takes a lot of individuals, but they are out there just waiting to be asked; all you have to do is ask.

I want to thank all of the volunteers that come each week to pack the material, and not only on Tuesday, but they come many times on other days when we have an estate sale to pick up. They are the most giving people I have ever come into contact with. They are God-fearing people who love doing the Lord's work. Thank you so much for all of your time that you give. I want to also thank the churches that provide lunch to us on Tuesdays. It is so good to have them come and provide a sandwich or piece of pizza during the hot days for us. You will never know how thankful we are to you. If you would like to provide a meal on a Tuesday, please call Phyllis Johnson to schedule it at 478-396-9065.

Our Coat Project is kicking off. Last year we sent approx..1500 coats to the mountains, and this year we would like to beat that number as we have more people up there to support. Lightly used or new coats are required and this project will continue until the first of December when we must have them up there for the cold weather.

Lastly we still need volunteers to pick up material from elderly folks. Please prayerfully consider giving 4 hours a week to perform this duty. God will richly bless you.

Serving a Loving and Awesome God, Pete and the entire Appalachian Mountain Ministry Team.
