December 2020 Newsletter**

**What has happened in December?**

We delivered all of the back packs to the Appalachian Mountains. We were able to send 1380 back packs and God richly blessed us with enough donations to send underwear, scarfs, sweat suits, toboggins, and other items along with school supplies to fill other areas of need. I believe we can say that we met our 1800 back packs with the extra items we were able to send. This was a trying year with Covid and everything else that hit us, but we met our Goal.

We picked up several estate sales and got a lot of good furniture and house hold items for the people in the mountains Drop offs have been excellent. The people of this area never seem to amaze me. Six loads were delivered to the mountains in the month of December.

**Coat project:**

Our Coat project is still open and the Children and adults have a need in the mountains. I returned from one of the sites the past Friday and there is a dire need for coats in good condition. We will continue to collect them through January and send them as soon as we get them. Thanks for you support in advance. Please drop them off at the center any Tuesday 8-5.

**How can you Help us?**

We always have a need for packers on Tuesday 8-5.

Able bodied men to load trucks normally on Saturday rarely during the week.

Teams of 2-3 who have a pick up and could make pick ups of furniture from people who do not have a way to get it to us.

**To help call Pete at 478-396-9316 or Phyllis at 478-396-9065.**

We will be closed the week of Christmas! You can drop off at the window 24-7 during this time. Thank you! Our workers need to have sometime with the families as this has been a very stressful year and it is not over.

I want to take just a moment to thank all of our workers. They are the most dedicated individuals I have ever met. Please pray for them that they will stay healthy during this Pandemic.

Love in Christ, Pete Soots and the RBA Appalachian Ministry Team
