

**Rehoboth Baptist Association
Appalachian Mountain Ministry
Pete Soots, Director
February 2021**

I want to take moment and thank all the wonderful people who support our ministry. We could not do what we do without your wonderful support. Fuel prices are going up and our supporters must know it and are responding so wonderfully. I want you to know that I am praying every night for each of you. I pray God will shower you with blessings beyond measure. Thank you.

Our coat project is finishing up in just a few days so if you have any to bring over please do it before the 29th as we will be making the last delivery. The outpouring of your love in this project has been such a blessing to the men, women, and children in the Appalachian Mountains since they are having a rough winter this year.

Backpack time is just around the corner. We are shooting for 1800 this year. A meeting to explain all the details and assign the number of each bag we need will be announced shortly and an email will give you the time, place, and date. Please inform all the POC's as it will be essential that they are there to get the correct information.

I want to close this letter by giving each of our volunteers a super big thank you for all the labor the put in at the center packing and preparing the items to be sent to the mountains. You are the Best! I know that there are more out there thinking and praying about joining our group. We pray that God will encourage you to come and give it a try. If you find it is not for you, we will still love you and wish you well in another endeavor that God has developed for you. Be assured we are praying for you.

If you would like to volunteer to pick up items through the week, please contact Phyllis Johnson or myself and we will explain the task to you. You can pick your day and time. It helps to have a buddy with you to help with the lifting. Thanks for your consideration.

Love in Christ as His servant, Pete Soots, Director RBA Appalachian Mountain Ministry.

P.S. Take a look at our Web page at RBA Appalachian Mountain Ministry.
