

# Rehoboth Baptist Association

Appalachian Mountain Ministry, Pete Soots, Director

February 2022

I want to thank everyone who helped the Appalachian team meet the goal of 2018 back packs for the year 2021. Everyone did a fantastic job and this year we are doing things a little different We are asking the churches to make May Appalachian Backpack Donation Month. We are ordering all the material required to make each backpack with the same type items in each one. With prices going up we are getting items bulk at a discount which we believe we can get all the backpacks at \$40.00 each. We need 2000 back packs this year. We will send out a letter at the end of each month with the monies we have collected from the churches. Please try and send money into the Association marked for Appalachian Back Packs by 31 May so we can get the items on order. You will hear more each month. Please prayerfully consider this very important project to provide hygiene items, school items, under garments, stocking hats, gloves, food, toy, and above all the word of Jesus Chris and A Christmas Story for each child. **Thank you in advance of your donations.**

**The goal this year is 2,000 Backpacks.**

This year 2022, we are asking all of our Rehoboth Baptist Association Churches, Sunday School Groups, Mens/Ladies Groups, other Churches to participate and raise \$80,000.00 to buy in bulk all of the necessary items to go in these backpacks so each child will have the same age appropriate items in their backpack. The Appalachian Crew / Volunteers will be filling the backpacks to eliminate issues. **We are keeping the amount of each backpack to \$40.00. The goal this year is 2,000 Backpacks.** If you would like to donate towards this year's backpacks, please mail your contribution to Rehoboth Baptist Association, 744 Lake Joy Road, Warner Robins, GA 31088 and write Backpacks on the memo line. **Our Goal to have these contributions in is May 2022.**
