

RBA—Appalachian Mountain Ministry

February 2019-Newsletter

Pete Soots, Director

God is so good. He has sent the spring rains to brighten up the earth with such beauty from the flowers that he created. Isn't spring a beautiful time of the year? With spring comes the need to send all the spring and summer clothes to the mountains for the people to have spring and summer clothes to work in and the children to play in.

We have sent 6 truck loads of our truck so far this year and one semi load to Princeton, Kentucky to help the folks up there. They have had so much rain and flooding that we are backed up right now and trying to get loads out while we can to make room for the donations that keep coming in. The people of Warner Robins and surrounding areas have been so gracious in their donations of clothes and furniture that we have it backed up. We finally were able to send a load of furniture to Knoxville, Tn. today and it is a load of great furniture which will really help them also there are 16 bikes that we have had repaired by a couple able bodied men and they are in excellent shape. We thank Barry and Randy for helping us in this endeavor. Kids enjoy having a bike and even mom and dad when they don't have other transportation.

NEEDS: We have a need for drivers who would be able to drive the truck to Kentucky, Tennessee, South Carolina, and Louisiana. If you would be willing to help us, please call Pete Soots at 478-396-9316. The trips are during the week Monday through Friday. We have an urgent need for additional drivers. Thanks for your prayerful concerns.

We would also ask the churches in the surrounding area to prayerfully consider having us pick up items from your congregation that they would like to donate to the Mountains. This would be done once a month and we would bring the truck over to the church on a scheduled timeframe and pick up everything they had. We currently do this for Lizella Baptist Church, and it has proven to be a huge success. This helps the people at your church and alleviates the liability problems we have with the insurance company of picking up items at people's house. Thanks for your prayerful consideration. Call Pete at 478-396-9316 if you would like to set this up.

Serving an awesome God, Pete Soots and the Appalachian Mountain Ministry team.
