

Rehoboth Baptist Association
Appalachian Mountain Ministry
Pete Soots, Director
July Newsletter

The ministry has been very busy with the Corona Virus being in place and many people being stuck in their homes and unable to go out they have been cleaning out I believe. We have been blessed with a lot of very good items and they are being shipped up to the mountains as quick as we can. We have shipped 8 loads in the month of July, and we have two more scheduled to go out this week.

As we grow the ministry and it is growing, we come to a time when we need more volunteers to help us get the job completed. We would like the opportunity to come to each of the churches and tell the people what we do and the volunteers we need to help get this job completed. We pack once a week on Tuesday. We work from 8-5 on that day and most days we are done a little before. If we had more people, it would be a shorter day. We also need drivers to drive the material up to the mountain site, and finally we need people to help us load the trucks to go up to the mountains especially when we are loading furniture. I would like the opportunity to visit each of our churches and provide a 30-minute presentation which would show the congregations what we do and how we do it. This ministry is a vital ministry to the people up in Appalachia. This is as close to a 3rd world atmosphere as you will ever see in your journeys to overseas locations and it is right in our back door. Please pray and consider having me over to give your congregation a presentation. You can reach me at 478-396-9316 or emailing me at Petesoots6@gmail.com.

The backpack letters have been sent out to all the churches WMU Directors, Mens ministry directors, and church offices. We are attempting to send 1800 back packs to the mountains this year. The letters detail what needs to be in the backpacks and how much. To be sure that all backpacks are the same and we do not have disappointed children when they are received every backpack need all the items to be in the bags. Thank you for your participation and cooperation. They will be sent up during the months of October and November.

Serving an Awesome God,
Pete Soots, Director RBA Appalachian Mountain Ministry
