

Rehoboth Baptist Association
Appalachian Mountain Ministry
June 2020 Newsletter
Pete Soots, Director

We have been busy during the month of June. We have been sending out Back Pack letters to all of the churches to try and get the right quantities of the right bags in for the children up in the Appalachian Mountains. It is hard to believe but these kids have such a little pittance of what we stressful area you should take a ride up to the Appalachian Mountains. Once you leave Knoxville and head up the mountains you will begin to see some stressful areas. But when you get right at the Kentucky, Tennessee, boarder and further north on I75 you will see real poverty stricken areas. It is hard to believe people are living in sheds that we keep our lawn mowers in, but they are. I have seen six of them within a four mile area. Now try to imagine 5 people living in one of those together. It is terrible. That is why God has us helping them. That is why when we send stuff up to the mountains we try to make sure that it is good decent stuff not something that needs to be through away when they pick it up. Please look at your donations and make sure they are working so that when they plug something in it does work. We thank all of you for everything you donate. We also appreciate those that provide donations of money each and every month to ensure we have money for the fuel to transport the items up to the mountains.

Thank you and may God Richly Bless You for your gifts.

P.S. Take a look at our Web page at RBA Appalachian Mountain Ministry.
