

RBA—Appalachian Mountain Ministry

March 2019-Newsletter

Pete Soots, Director

The Appalachian Mountain Ministry has been hard at work ever since we opened up from the holiday season. It is a good thing that we took off a few days during the holidays because we have made up for it of late. We have been blessed with donations from all of our faithful donators and we have had several new donations to come in which has kept us really busy. I want to thank all of the volunteers that faithfully come over to the building and help pack the donations for shipment to the different sites. Without you we would not be able to accomplish everything we do. Speaking of **VOLUNTEERS** would you like to become a volunteer? It is truly a blessing to be able to come and contribute an hour or two or the whole day each Tuesday. The group of volunteers we have are such wonderful people and have a great time socializing and packing the boxes to go to the sites that we support. If you would like to volunteer give Phyllis Johnson a call at 478-396-9065 She would love to have you.

We also need volunteers to drive the truck to the sites. We are trying desperately to get teams, so that no one has to go more than once a month. It really works better if you have a rider to go with you even though they might not be able to drive but can help keep you alert. You can sign up to drive by contacting Pete Soots at 478-396-9316.

We have been blessed to partner with another site that has been shown to us by the Mission Board. We are now partnering with Rolling Hills Ministry in Ruston, La. They are in the delta and they are providing support to about eight parishes in the Delta. They are working with us and helping us with some of our needs for Kentucky, Tennessee, Virginia, South Carolina, and Georgia. We are looking forward to a growing and strong partnership with them.

Rehoboth Baptist Association Churches, have you made arrangements for a monthly pick up of donated good from your congregation? This is an excellent way to get your Sunday School material etc. picked up and provided to the Appalachian Mountain Ministry. We will set up a specific date and time and bring the truck over to pick it up for you. Please consider this, we would love to partner with you in this effort.

The hours of operation for the distribution center is Monday 1:00 PM to 4:00 PM, Tuesday 8:00 AM to 5:00 PM, Friday 1:00 PM to 4:00 PM, and Saturday 1:00 PM to 4:00 PM. The drop-off window remains open 24 hours a day.

Thank you for your support.

Pete Soots, Serving an Awesome God.
