Appalachian Mountain Ministry  
May 2020 Newsletter  
Pete Soots, Director

This has been a very trying couple of months. We have been closed and have just taken the first two loads up to the mountains. We are now open on Tuesdays from 8-5 for deliveries from people with material to bring over to us. If you have a load that you need help to unload, please call 478-396-9065.

We have been blessed beyond measure. An Anonymous donor called us and said that he and his wife had been blessed and wanted to help the people up in the Appalachian Mountain Ministry area that we carry material up to the mountains for. He and his wife blessed us with a good amount of money to allow us to get a newer truck since our truck is getting quite old but has been reliable, even though it 24 years old with nearly 500,000 miles on it. We are going to be able to use it for shorter runs and pick up of items that we must pick up. That will allow it to go to places in Georgia and allow the larger newer truck to handle the large hauls.

Please be on guard to get material related to the Backpack Ministry that will be kicking off headed by Phyllis Johnson and a couple of ladies that has volunteered to help her with it. You will be contacted in the next couple of weeks to begin putting the back packs together. Here is a picture of our new truck we are proud of it and we hope to haul many loads to the mountains in it.

We serve an awesome God. May God bless you with a safe summer through this Corona Virus situation we are going through.
