Appalachian Mountain Ministry
Pete Soots, Director
May 2021**

Backpack Project 2021- by the time you have received this we have already had our first meeting. Information was passed out to all in attendance and questions answered. This will be the best year ever. Pray, Get Active, and Make a little boy or girl Happy!

Volunteers: We have some of the most committed volunteers available. We have plenty of room for additional volunteers. If you have a Tuesday available we sure would be blessed to have you help us. If you would just like to pick up items from people who cannot bring it you can sign up to be on the pick up crew. Set your days and hours to work; we would be blessed and honored to have you. We are short on these volunteers. Please be in prayer that your Men's Ministry might be encouraged to work with this program.

Thank You! We have been so blessed and the volunteers are so appreciative of the Ladies at W.R. First Baptist, RBA Office Staff, and the Women of Shirley Hills Baptist Church for feeding our volunteers lunch the past month. These people work so hard each week and even some days during the week when the need requires it. To receive a wholesome meal of Love means a lot to them. We are so appreciative; *Thank You for remembering this ministry that helps those who are less fortunate than we are.*

Love in Christ, Serving an Awesome Savior, Pete Soots, Director RBA Appalachian Mountain Ministry.
