November 2020 Newsletter**

What has happened in November:

We picked up several estate sales and got a lot of good furniture and house hold items for the people in the mountains.

We have been blessed with a lot of drop offs at the center which allowed us to get more items to the mountains.

We have been working feverishly with back packs as COVID has made a significant impact on the ability to get the numbers we needed desperately.

At the present time we are about 500 back packs shortage of what we need. We have been blessed by churches and people providing funds and we have worked with one of the sites and are furnishing them school supplies, toys, stocking caps, scarfs, and underwear that they requested. God always supplies when there is a need and he sees that people are trying to do the best they can to bring Glory to His name.

The back packs and supplies will be leaving here the week after Thanksgiving and the first week in December to be up in the mountains for distribution. Thank you to everyone who has contributed back packs, and or money.

We have delivered five loads so far this month and will deliver two more before the end of the month.

Coat project:

A large need for coats that are new or in good condition.

It is already very cold in the mountains and children and adults are in need of coats.

Please drop them off at the center any Tuesday 8-5.

How can you Help us!

We always have a need for packers on Tuesday 8:00 a.m. -5:00 p.m.

Able bodied men to load trucks normally on Saturday rarely during the week.

Teams of 2-3 who have a pick up and could make pick ups of furniture from people who do not have a way to get it to us.

To help call Pete at 478-396-9316 or Phyllis at 478-396-9065.

We will be closed the week of Thanksgiving! You can drop off at the window 24-7 during this time. Thank you, our workers need to have sometime with the families as this has been a very stressful year and it is not over.

Love in Christ, Pete Soots and the RBA Appalachian Ministry Team.
