

Rehoboth Baptist Association
Appalachian Mountain Ministry
Pete Soots, Director
October 2021

Praise the Lord a lot of prayer, hard work, and support by many and the 2021 Appalachian Christmas Backpack project is nearing completion. We have been blessed with much support by many and as a result we are going to ship **more than 1900 back packs** up to Appalachia this year. As far as I know this is the largest number we have ever sent. Thank you to everyone who contributed either through a church or through financial support through the association. Now the truck will be busy moving back packs up the road to Appalachia and they should all be there by Thanksgiving.

We have partnered with two new areas and have already delivered the first load to one of them and the second will be delivered first week in November. It is so exciting to see God open up areas for us to help.

We are still in need of helpers to load trucks. If you can help but only help if we load on a Saturday, please let me know and will change our loading day as often as possible.

IT IS COAT COLLECTION TIME. Last year we sent an estimated 1400 coats up to the mountains. This year we are setting the GOAL at 1500. Please prayerfully consider providing a coat or more that is lightly used or new. The winter is supposed to be bad this year and children and adults will be so appreciative of a coat to put on. Bring all coats to 744 Lake Joy Rd. on Tuesdays between 8:00 A.M.-5.PM

If you would like to send a mission team up to Appalachia, please contact me and I will put you in touch with site personnel who will be overjoyed to have your team come and help them.

Serving an Awesome God,

Pete Soots Director Appalachian Mountain Ministry
