How Good is Your God?!!

My God is an awesome God.

He took a couple's prayer for Children and established the RBA Appalachian Mountain Ministry
He shipped 58 lbs. the first year to one site.

He got many volunteers to help pack and ship material donated

He gave us 8 new sites to ship goods in the mountains too over the past 12 years.

He has allowed us to help the American Veterans

He has given us enough to help local people in need

My God answers our prayers continually.

He took a vision of getting a larger facility and made it come to life

He gave us 20-25 volunteers to meet each Tuesday and pack everything that the community has brought in.

He brought in washing machines and dryers every time they were required.

He has enabled volunteers to heal some of their pains through the friends that they work with every Tuesday

He has placed it on the hearts of many people to bring lunch to the volunteers who work each Tuesday.

My God has opened the doors to a couple of new sites which will allow us to help more people in a desperate area.

He has answered prayers that have been voiced to bring new sites to us.

He has given us one site already and two others are in the midst, and we are looking forward to helping them fill their needs shortly.

See My God is An Awesome God!!!!
