

Rehoboth Baptist Association

Appalachian Mountain Ministry, Pete Soots, Director

September 2022

This has been an exciting month.

Two loads of items sent to Buckhorn Kentucky to help the flood victims.

One more load in the planning stages for delivery next week.

Picked up two houses of furniture that was donated to us.

Helped the RBA Church plant (Mar de Galilea) at Harmony kick off their official opening.

Helped three homeless vets to get situated into a home

Sent a major load up to Jellico Tn. for our partners in the Jellico Area.

Sent two loads to Knoxville to help our partners there.

Ordered racking to help us store all the backpack items in the pole barn.

We have received funding that allowed us to purchase \$1,000.00 worth of coats for the mountains.

Packing the first age group 4-6 of the backpack projects.

If you want to help pack back packs from your church, please contact Joe Collins, 478-731-0328; Pete Soots 478-396-9316, or Phyllis Johnson 478-396-9065. We will get you lined up to help. Thanks in advance for your help.

*Where do we go next: **Coats***

We will be sending coats up to the mountains through December.

Any gently used coats can be sent for children or adults.

How can you Help??!

Help pack the trucks when loading furniture

Help pick up items from donator's when they do not have a way of bringing them. Tues days 8-12

God tells us that he can give the knowledge to do something if we only will be available to do what must be done.

Working with this group of people on Tuesdays is a true blessing. This is one big happy family! Try it you just might find that you have been missing out on the greatest part of your life.

Love in Christ Pete Soots, Director RBA Appalachian Mountain Ministry.
